# AGRILATINA

Biodynamic farm  and  certified

AGRILATINA Group started in 1985 by the proposal and by the positive impulses of **PASQUALE FALZARANO**, who is the director and the technical manager of the **AGRILATINA** company and who had the same roles for the entire group for a very long period.

**AGRILATINA** Group has practiced organic Farming since **1987** and applies **BIODYNAMIC** Farming since **1993**.

**AGRILATINA** company's lands are in the centre of Italy, near the Tyrrhenian Sea: mostly in the **Circeo National Park**.

Currently we cultivate about **150 hectares** and, for to make our own **BIO-DYNAMIC Compost**, we lead a herd of more than 70 biodynamic Marchigiana's cows, old Italian native breed.

We cultivate, in an ethical manner, increasing the **LIFE** and the natural **FERTILITY** in the soil (**humus, microorganisms**) and reinforcing the connection between the plants and the **UNIVERSE (light, energy, photosynthesis)**.

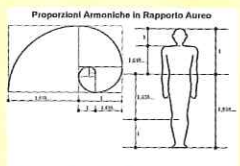

**THE PLANTS SO GROWN ARE OF REAL HIGH QUALITY AND VERY RICH IN HEALTHY COMPOUNDS, IN NUTRIENTS AND IN FLAVOR.**
